

Monika & Johann Weiß
Flachau

An aerial photograph of a mountainous landscape in winter. The ground is covered in patches of snow and dark earth. In the center, there is a large, multi-story building complex with a stone wall in front of it. The surrounding area is filled with evergreen trees, and a large forested mountain rises in the background.

An aerial photograph of a snowy mountain landscape. In the center, there is a small complex of buildings, possibly a ski resort or a small village. The surrounding area is covered in snow, with patches of green grass visible. In the background, there are dense evergreen forests on the slopes of the mountain.

MANAGEMENTPROFI 2020

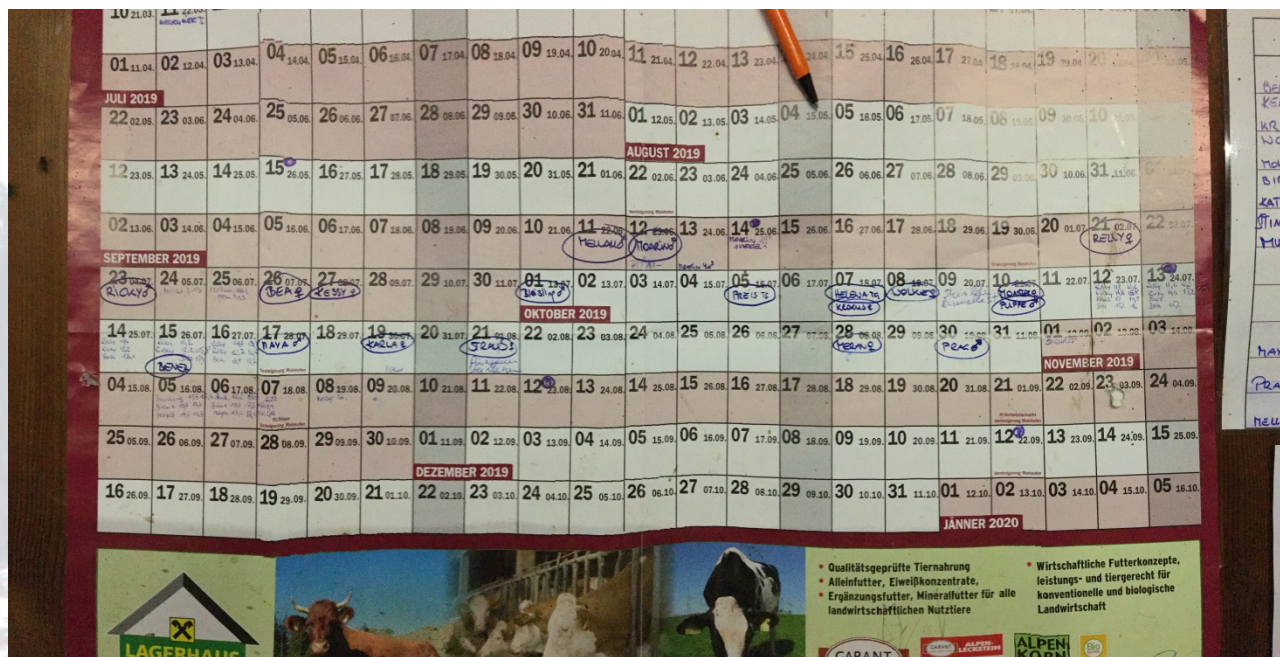

**WAS KÖNNTE DEN ERFOLG AM
HUNDSALZHOF AUSMACHEN?**

- **Alpung** des gesamten Tierbestandes

- **Fütterung** über gesamte Winterperiode gleich
 - Sandwichsilage mit 3 Schnitten
 - Heu
 - & Treber, Maiskornsilage, KF

• Eigenbestandsbesamung

- Konsequente Brunstbeobachtung
- Gute Mitschrift

An aerial photograph of a mountainous landscape in winter. The foreground shows a large, multi-story building complex, possibly a resort or administrative center, situated on a snow-covered slope. The building has a prominent central section with a gabled roof. Surrounding the building are patches of snow and some bare trees. In the background, a large, forested mountain rises, its slopes covered in dense evergreen trees. The sky is overcast and grey. The text "... weitere Eindrücke ..." is overlaid in the center of the image, underlined.
